REPEAT

This dance was originally a 48 count dance. The 48 count version works well with songs other than "Kick A Little". The 48 count sheet is the same as the one above with one change. Remove counts 9 and 10 and replace with the following

- 9-10 Step right to right, step left behind right
- 11-12 Step right to right, kick left diagonally towards right and clap

If you would like to do the 48 count dance to "Kick A Little", it works well as a phrased dance. For the A phrase, use the 48 count version immediately above. For the B phrase, you can use any four counts provided that weight ends up on the Left foot and the step does not travel. I used the following B phrase:

- 1& Touch right heel forward, step right in place
- 2& Touch left heel forward, step left in place
- 3& Touch right heel forward, step right in place
- 4& Touch left heel forward, step left in place

The phrases are done in the order AAAB AAAB AAAB A

This phrasing works for the version of "Kick A Little" on Little Texas' Greatest Hits album. Start dancing when the vocals start.
