&33-34 Step back on right, step forward on left, touch right beside left

REPEAT

RESTARTS

There is a restart on the 4th wall after count 16 which is a 'hold' step. Just start the dance again from the beginning

On the 8th wall there is a pause in the music at the same spot, count 16. Just restart the dance when the music starts again.

The dance finishes facing the side wall (3:00). So just do the final steps (&33,34) facing the front.
