31-32 Right rock right, recover weight to left

REPEAT

Because of the odd count on the introduction of the Alan Jackson track, rather than have a bridge or tag, I've actually started the dance ½ way through, so that the kick-ball-change comes where I want it for most of the dance, you may find that to other music, you will prefer to start the dance at its true beginning, which is counts 19&20!! That should confuse a few people!
