## REPEAT

### TAG

Between walls 3&4 you'll have four extra beats. Do a hip roll or shimmy your shoulders. Do whatever you want. Just make sure your weight is on the right and you're facing 3:00 so you can start with the left touch again.

### TAG

Between walls 7&8, you'll have 16 extra beats. Try some Monterey turns, mambo steps, paddles, box steps, grapevines, etc. Do whatever you want. Just make sure your weight is on the right and you're facing 3:00 so you can start with the left touch again.
