**TAG**

When you start wall 6 (starts facing left side wall - 9:00), you will just have to do the first 16 counts of the dance, changing steps 15, 16 to walks forward (right, left). Then in the music you will hear a break. (you'll be facing the back wall.) Hold for 4 counts through this break, and then start the dance over again from the back wall with wall 7, dancing with the chorus!
