On 29-36, arms extended to sides while snapping fingers of both hands

VINE TO THE RIGHT WITH CROSS

37-40 Step right to right, left behind right, step right to right, cross left over right

REPEAT

TAG

When starting the 7th wall, dancers should eliminate the left and right vines (steps 17-20 and 37-40). The restart of the vocals will be the clearest signal to shorten the line dance by eliminating the vines for the remainder of the dance. The tag is optional. It matches the music and lyrics slightly better than without it, but it increases the difficulty level.
