- 33&-34 Cha-cha right-left-right turning full turn right
35-36 Step back on left foot, rock forward onto right

REPEAT

In order to fit the dance to the suggested song it is necessary to touch left on count 32 & omit counts 33-36 for each alternate wall/repetition.(i.e. The chorus is 4 beats shorter than the verse.) After 5th verse chorus continues till end of song therefore omit counts 33-36 thereafter.
