On 1st two walls: set 1 & 2, counts 5-8. Do a soft Charleston. Point right toe forward, hold; point touching right toe back, hold.

3rd wall: exaggerate move by dancing Charleston crossing right toes in front of left foot with a sweeping action.

4th & 5th walls: as music builds, kick right foot forward and swing left arm forward, swing right arm back.,

hold; then kick right foot back as right arm swings forward and left arm swings back, hold (small kicks on 4th and on 5th wall do big kicks while leaning back and forward)

Last wall (6th wall you will be facing 6:00 wall) soften steps same as 1st wall

#### **FINISH**

During 6th wall complete set 3 and take one step forward on left foot and hold while crossing arms at waist level and bring out to side with palms down (like an umpire calling "safe!") you will be facing 12:00 wall!
