\*Cha-cha step is 3 steps done in 2 beats of music (also counted as cha-cha-cha)

\*\*Squiggle = With feet together, put your weight on your toes and swing your heels out, keeping them together, in the direction indicated (beat 1), then swing your heels back to position (beat 2).

\*\*\*Pigeon Toe = With feet together, put your weight on your toes and spread your heels apart (beat 1), then bring your heels back together (beat 2). If you feel like you're knock-kneed, then you did it right.
