

California Grindin

COPPER KNOB
STEPSHEETS

Count: 32

Wall: 2

Level: Intermediate/Advanced

Choreographer: Morgan Ratcliffe (USA)

Music: You Can Do It (feat. Mack 10 & Ms. Toi) - Ice Cube

Warning! Don't get the regular version! Some people may find it offensive! Not suitable for under 18s

- &1 Scuff left foot forward, step left foot forward
&2 Tap right toe behind left twice
3&4 Kick right foot to right side, step right foot next to left, step left foot to left side (slap both hands on hips on count 4)
5-6 Bump hips to left, bump hips to right
&7&8 Bend both knees, push hips back, push hips back to place, push hips back (knees still bent)
- 1 Straighten knees as you raise right foot to left knee (raise both hands clasped above head and look to left)
2 Step right foot to right side (hands go behind head then down to sides angle body and look to right diagonal)
3 Lean body back to left as you push hands (fingers spread) forward right over left
& Lean body forward to right as you push hands down by side
4 Repeat 3
& Replace weight onto right foot
5&6 Cross rock left over right, replace weight onto right, push off right foot taking big step to left with left foot (drag right foot together)
7-8 Step right foot to right side, step left foot to left

Styling: as you do 7-8, shrug shoulders alternately fast as you can

- 1-2 Step right foot to right side making $\frac{1}{4}$ turn to right, body roll up from knee to head
&3 Step left foot together as you raise up onto heels pushing knees out to side, return feet and knees to place

Arm styling - both arms push out to sides and return

- &4 Feet stay in place, right fist comes up in front of face as you tilt head back slightly, return head to place (like nodding) as the fist comes down (still in front of face)
&5&6 Step forward on right foot, twist both heels to right, twist heels left, twist heels right making $\frac{1}{4}$ turn left

Arm styling - & right arm (fist clenched) reaches up, 5 pull right arm down (like pulling whistle on a train) repeat for & then on 6 slap right hip

- &7&8 Feet stay in place - right arm goes forward (hand relaxed) (count &), left arm goes forward across right (count 7). Look down and up on count & 8

- 1&2& Rock left foot behind right, replace weight onto right foot, step left foot to left

Arm styling

- 1 Punch right arm straight to right as you punch left arm bent to right
& Left arm straightens to left side as right arm bends to left
2 Right arm straightens to right side as left arm bends to right (same position as (1)
& Left arm remains in place as right arm bends in (both fists should now be at shoulder height)
3-4 Body roll head to toe, as arms go down parallel to body
5&6 Jump both feet together as you make $\frac{1}{4}$ turn left, jump both feet in place making another $\frac{1}{4}$ turn left, jump both feet out

Arm styling: both arms (fists clenched) touch top of chest, on count 6 both arms go down to sides

- &7 Both knees pop in, and out
&8 Feet jump together, feet jump out

Arm styling:

&8 Right arm crosses in front of left (fingers spread), both arms go up and out to sides (elbows bent) as if to say what?

REPEAT
