You should finish with both feet next to each other

## REPEAT

## RESTART

Near the end of the song (after 12 repetitions of the dance), Janet's singing slows down (this is very obvious in the music). The dance is continued through the slow section of the song, but on the 14th repetition only the first 16 counts are danced. That is followed by a 4 count hold and then a restart from the beginning of the dance.
