During the 3rd wall, dance counts 1-24& and then go to the beginning of the dance

During the 6th wall, counts 20&21 should be replaced with:

- 20&21 Step left behind right, step right to right side, cross step left over right

The cross step again takes us back to the beginning of the dance

During the 7th wall, there is a pause between counts 16 & 1. Wait for lyrics to "there" and pick up dance where it left off.
