REPEAT

Alternate styling for steps 1-4 and 9-12:

Make it easier: Step left, right, left, right (take "baby steps" instep to ball of opposite foot)

Make it harder: Counting 1&2&3&4, take "baby steps" on # and hitch opposite knee on & counts

Make it even harder: Turn the hitches (from "Make it harder") into scoots: Do the "running man"
