

# The Angel Walk

**COPPER** KNOB  
BY STEPHENETS

Count: 48

Wall: 2

Level:

Choreographer: Pearl Pullman

Music: Angel Walk - Beau Davis & The Southern Drifters

To perform this dance to the song "Angel Walk", begin on the 17th beat after the first drum strike in order to do the movements with the lyrics

## HIPS

- 1-2 Sway hips right, sway hips left
- 3&4 Sway hips right, left, right
- 5-6 Sway hips left, sway hips right
- 7&8 Sway hips left, right, left

## PIVOT & JUMPS

- 9-10 Right crosses behind left; pause one count
- 11-12 Pull with right toe to pivot ½ right on ball of left, pause one count
- 13-16 Jump forward 3 times, pause one count

**Very small jumps, 1" approximately, with feet together. Use two ½ count moves for each jump, if necessary. Be creative with your hands during jumps**

## KICKS & BACKWARD SHUFFLES

- 17-18 Right kicks forward twice
- 19&20 Shuffle backwards right, left, right
- 21-22 Left kicks forward twice
- 23&24 Shuffle slightly backwards left, right, left

## SHUFFLE RIGHT, ROCK, SLIDE LEFT

- 25&26 Shuffle sideways right on right, left, right
- 27-28 Left crosses behind right; right steps in place rock
- 29-30 Left steps as far left as possible (i lift my left quite high for style for ½ count before putting it down), slide right next to left
- 31-32 Step in place with right; step in place with left (use these two steps to position feet close together for the next move)

## HEEL CLICKS & GLIDE

- 33-35 Click heels together three time
- 36-37 Right steps slightly forward, left steps as far forward as possible

## RIGHT DRAGS TO LOCK KNEES BEHIND LEFT

**Use a rolling motion with the body and hold arms out because this is described as a "glide" in the lyrics**

- 39-40 Left steps forward; right drags to end next to left

## ROCKS

- 41-42 Right steps over left; left steps in place
- 43-44 Right steps in place still in crossed position; left swings out to left side
- 45-46 Left steps over right; right steps in place
- 47-48 Left steps in place; right swings out to right side

**Put right down as you start again**

## REPEAT
