- 5&6-7&8 Left step left, right step beside left, left step left, right step back slightly behind and facing 45 degrees right rock forward

REPEAT

TAG

When the music changes key finish that sequence then:- right step forward, rock back, right step back, rock forward. Then start again. There is only one tag

FINISH

As the song finishes (facing front wall) finish with the left cross toe point, left hand behind back, head bent and right fingers touching brim of hat. Or arms slightly apart and palms forward and head bowed.
