

# Jig A Jig (aka Dancing Dervish)

COPPERKNOB  
STEP SHEETS

Count: 32

Wall: 2

Level: Intermediate

Choreographer: William Sevone (UK)

Music: Jig a Jig - East of Eden

**Dance starts after the drums and when the fiddle come in.**

Originally Choreographed to: Paint it black (160 bpm) - Rolling Stones (40 Licks)

Note: Jig A Jig was originally the alternative piece of music to this dance.. and as Paint It Black was too fast n furious for some dancers?Whichever music you choose, the dance with its Gaelic or Eastern flavoured urgency is certainly NOT for the feint hearted. As it nears the end, the music of Jig A Jig could test your dancing athleticism to the utmost limits ? even more than PIB maybe.
