place (returning  
hips back to  
center)

39&40 Triple  
step 1/2 turn left  
stepping (left-  
right-left)

*CHOREOGRAPHERS NOTE:*

*Music has a latin beat so remember to "Shake those hips"! also this dance is listed as*

a

Intermediate/Advanced

linedance only

because the

music has a

very fast high

energy latin

beat but I'm

pretty sure

that there is

music out there

that you can

slow down the

dance to feel

free to do so

and Good

Luck..

---
