## R Coaster step, full turn left, coaster touch kick & cross step

- 1&2 Right coaster step  
3-4 Make 1/2 turn left as you step forward on to L 1/2 turn left as you step back on R.  
5&6 Left coaster touch, touch left foot out to left  
7-8 Kick left foot out diagonal side. then cross over & step onto it over R Weight on left.

Ready to start dance again.

The music fades away in places just dance through it.

This is a real cool track. Please put your own style & attitude into it.

Hope you enjoy
