STEP RIGHT. SWIVEL HEELS OUT THEN IN X2, WEAVE LEFT, STEP LEFT. HEEL/TOE SWIVELS RIGHT, LEFT. WEAVE RIGHT.

- 1 Step right together.
- &a e& Heels out then in (as though clicking heels together) x2 [The heels out then in happen on the lyrics, “whoa oh, whoa oh”. Counting this section is extremely difficult. Heels should be out on “whoa”, heels clicking together on “oh”, back out on “whoa” and back together on the final “oh”.] Make sure that weight is slightly on the left foot when finishing these heel clicks.
- 3&4 Weave left (stepping right behind left, side left, cross right in front of left)
- a Step side left.
- 5&6& Heel swivels (swivel with toes pointed right on both feet—weight on right heel and left toes), recover weight to center, then reverse and point toes left, recover to center
- 7&8 Weave right (step left behind right, side right, cross left in front of right)
- ** Option for 7&8 any type of heel/toe swivels to the right but make sure that weight ends on left foot to begin the dance with a shuffle forward right.**

Ending:

C x3 On the third time through, instead of weaving right (7&8), do a ½ turn sailor left to the front wall.
