

Funky Stuff

COPPER KNOB
BY STEPHEN METZ

Count: 32

Wall: 4

Level: Absolute Beginner - Upwards

Choreographer: Sho Botham (UK) - July 2011

Music: Funky Stuff - Chuck Brown : (Album: We Got This)

This easy level dance introduces simple steps with a funky style. Steps and use of hands / arms can reflect the song if desired – for example, really get down when the song says ‘get down’ – raise hands and / or arms when the song says ‘get up’ or ‘raise your arms’.
Enjoy experimenting with the steps and the style.
