## **START AGAIN**

**Note:- Please note when doing the ½ turning shuffle it moves down the floor and is not on the spot. You have the option to take this up a level by changing count 3&4 into 1 and ½ turns. The turn will take you to the following walls (6) (12) & back to (6) and it is a slow turn so take your time as it travels down the floor and is not on the spot.**
