4-6 Rock/step right back, Hold, Hold (open right shoulder up and turn body slightly right) 6.00

RESTART

Restart Notes: You will restart on the 4th Wall after count 48, facing back wall.

Bridge Notes:

On Wall 7 you will modify the dance to perform the bridge, this happens after count 36:

- 34-36 Rock/step right forward, Hold, Hold (facing back wall)

Then proceed with the bridge (hit the breaks of the music):

- 37-39 (Bridge 1-3) Recover weight back on left, make 1/2 turn right & step right forward, step left forward

- 40-42 (Bridge 4-6) Point right toe to right, Hold, Hold

- 43-45 (Bridge 7-9) Hold, Stretch right arm forward, Stretch left arm forward

- 46-48 (Bridge 10-12) Pull arms towards body slowly taking weight onto right

Continue dance from count 49 (Stride steps forward)

Styling Tips:

- * It might help using a 1&a2&a rolling count to assist with the timing
- * Really step out the first 6 counts, use the last count of the dance to prep and push off into the beginning
- * Use your arms, feels great
- * Emphasize all the drags
- * Travel on the twinkles
- * Big strides fwd on counts 49-57

- * Let your body naturally turn while dancing
- * Hit the breaks of the music in the bridge
- * Turn to the front wall on count 13 to end the dance
