- 5-6 Turn 1/4 right and step right forward, step left forward
- 7-8 Step right forward, turn 1/4 right and step left to side

Full turn for ladies (optional, but the turn is almost always done): On count 6, lady turns 1/2 right and steps left foot back (moving in direction of LOD).

On count 7, lady turns 1/2 right and steps right foot forward (still moving in direction of LOD).

Hands: On count 5, release left hands and pass joined right hands over lady's head. Rejoin left hands when turn is completed.
