Styling tip: For count 30, after the Cross Left over Right, rather than simply holding, tap the right toe behind left foot.

Notes re ending: Both dances (Exactly Like You and November Rain) end facing 12:00 after Right Scissors (count 20).

For the Scissors step, you will want to do a distinct cross in front (as opposed to stepping more forward), and either hold to the end of the music, do a full turn left-face unwind to face the front wall.
