S7 Step Forward & Back R & L 2x (12,34,56,78)

Boogie Woogie is cousin to RocknRoll. Steps are basic for easy learning & options are for dancers having issues with balance or turning. Enjoy !!

Fun Fact: "The origin of the term boogie-woogie is unknown, according to Webster's Third New International Dictionary. The Oxford English Dictionary states that the word is a reduplication of boogie, which was used for "rent parties" as early as 1913". Source :Wikipedia
