## Repeat

### On the 3rd 8 count on the back wall, you will do part B

- 1-4 - Step forward on to left foot (1), make a half turn to the right coming down on the right foot (2), walk forward left (3), walk forward right (4)
- 5-8 - Kick left knee up (5), step left in place (6), kick right foot way back and touch the floor (7), step right in place (8).

If you don't like switching (or can't touch the floor), you can stick to either part A or part B – whichever makes you more comfortable! I was just trying to change up the 2-wall line dance a bit! Enjoy!
