**Variation:** For count 31&32, can change the shuffle to a full turn left, stepping left right left as you make the full turn.

This dance was actually choreographed by Fred back in 2010 when the song first came out, however he hadn't had a chance to write the dance sheet, so I decided to do it for him.

I am a firm believer that good things come to those that wait, but if I continue to wait for him to write this dance, we will both be in retirement homes and no one else in the world will have the chance to enjoy it.

I'm fussy about what I like, and this dance is my second favourite dance ever...

So thanks Fred... for a great dance!!!

Heather
