**Important Notes :** Don't let the PHRASING put you off as this dance has very easy PART A and B, you can easily hear in the music when you are doing the 4th A of the dance that the music changes a bit, dance through that and it all comes back in on the side touches. That lets you know that you are about to execute SHORT B which has a change.

**Ending: FINISH THE DANCE END OF WALL 12 (A) FACING FRONT AND SAY "NAMESTE"**

**We hope you enjoy this fantastic music track and fun fun dance – to see arm options for the Syncopated Cross Shuffle and ½ Volta in Part B please watch our demo video**
