S3. L fwd./R knee hitch, R fwd./L knee hitch

1,2 L step forward, R knee up

3,4 R step forward. L knee up

Start dance over

The steps with the knee hitches are done as skips.

This dance is confusing to many dancers, but a favorite once mastered.

I learned this dance about 30 years ago before choreographers were noted.

If you should know who wrote this little dance I would be please to give credit.

If you would like the edited track used in the video; lynn.norandi@gmail.com
