NOTE: Do not let the sequence intimidate you. The restarts are easy to remember. Every time you start the dance on the front wall (12:00) you will do the tag until you hear the instrumental part. During the instrumental, you will skip a tag. Then you only do the tag one more time after that, on the next front wall.

STYLING: During the chorus (on counts 28-32) the lyrics will be singing "kids running around the house." Replace the forward scooch with a full turn scooch while waving your arms up in the air.
