TAG 1 (FREE TAG)

At the end of the first part C, when you have the toe of the right foot in front, do a movement that has a sexy intention for two counts (ANY MOVE IS GOOD) & start Part A

TAG 2

At the end of the second time you do part c, you have 4 counts before part D starts, there we will raise both arms up flamenco style

ENDING

When the music ends on count 32 of the third c, the singer says Slomo lengthening the letter o, at that moment with the right hand we will make the Slomo sign:

With the thumb and index finger we will make a circle to look through it and the other fingers (Middle, Ring and little finger) will be extended as if they were marking the number 3
