That's it! One of the good ones from the 70's. Just remember that you vine L first! It all comes out for the R foot leading after that. Please let me know if you like this routine. Liking and voting is so important for us choreographers. So if you would like to vote for it, I would appreciate it very much! As soon as I heard this song, I had to do another routine to it. This routine will go with any 32 count song with no tags. All I ask is that you don't alter my routine without my permission.
