That's it! Just 2 tags to remember. Each time it will be instrumental music thru the tags, so it's easy to remember when you hear it. Love this song, and I hope you do too, along with the routine. A perfect cha-cha for beginners. I would appreciate it if someone could do a demo of this for me. If you like it, please vote for it and click like! All I ask is that you do not alter routine without my permission. Thank you so much, Georgie. mygeo@adamswells.com or mygrantg@gmail.com
