Ending: Wall 7 (starts @ 6:00) - dance 24 cts (through S3) with a step change on cts 7&8:  
after 1/4 pivot to 3:00, do cross (L)(7), back (R)(8), 1/4 turn left (L)(8), (step L to side at 12:00)

Note: There could have been a restart on Wall 3 after 24 cts, but dance through it as the remaining dance step sequences match the rhythm of the music better without it.
