Notes/variations: 2-step turn can be substituted with walk-walk for beginners or those with vertigo. Rolling vines can be done in the first 8-count.

The inspiration for this dance came from my 18 years living in Kansas (now an East Coast girl), the movie Twisters and the Wizard of Oz.

I hope you enjoy the little tributes to these that I have included in the dance (the heel clicks, the wizard steps, the 2-step turn (a tornado) & the K-step for Kansas.
