That's it! Just an easy routine for all beginners. If they have problems with the turning box, do a regular box, turning R on last step. Just so they're ready for the next wall. I hope this helps. As they get better, you can add the turning box. Please let me know if you like it. All I ask is that you do not alter routine without my permission. Thank you. mygeo@adamswells.com or mygrantg@gmail.com

(This routine will go with any 32 count song. Please feel free to change it if you like! Here are a few to help.
