RESTART

On wall 2 of the dance there is a restart, you will hear the trumpets going down!! You will complete the dance up to the sixth section finishing with the cross shuffle facing 9:00 wall then restart the dance again from the beginning

TAG

At the end of the 4th wall the music stops & K.T. sings "why don't ya, why don't ya" for 4 counts, you would have completed the 4th wall & end up facing the 3:00 wall, to make it easy just hold position & pose for 4 counts then start the dance again.
