&5&6 Hook right foot across left shin, step right to side, step left together, step right to side
&7&8 Hook left foot across right shin, step left to side, step right together, step left to side

REPEAT

RESTART

When you dance the fourth wall, you will only dance up until count 24. At this point you are facing the front wall and you re-start the dance from count one with the weave.

OPTIONAL ENDING

The dance ends with the music on count 16. If you want to finish facing the front, simply adjust the last sailor step to turn ¼ to face the front.
