## REPEAT

## RESTART

Start dancing to the 6:00 wall, you will turn with the sailor to the 9:00 wall and do the step lock step forward completing the first 40 counts of the dance. Restart the dance at that point, omitting the last 8 counts. When you return to the $6: 00$ wall again, you will begin the dance and will restart at the same point when you turn to the $9: 00$ wall the second time. From that point on, dance as written
