## RESTART

The restarts come halfway through the 3rd and 7th walls. You will complete 2 full rotations of the dance. Then you will complete the first 16 counts of the 3rd rotation ending with the full unwind to the right to face your original 12:00 wall. Your left foot is free and you restart from the beginning of the dance. Next you will complete 3 full rotations of the dance. Then the same goes for rotation 7. After the first 16 counts and the unwind, you'll be facing your original 3:00 wall to restart the dance
