* There is a Restart on the 4th wall after count 28□□

You will be facing 3 o'clock after the 1/2 pivot at count 27

Touch R beside L instead of rocking back... still facing 3 o'clock

Now, Restart the dance again by making a 1/4 turn to the front wall for your first step (side rock)

*There is a 4 count Tag at the end of wall 6

You are facing the front wall and have just walked fwd RL to finish the dance....

Now Keep walking R,LR,L in a 1/2 right to face the back ...smallish steps in an arc.

I originally wrote this dance in 2001 in memory of a wonderful sunny day trip we had to Flock Hill Station with Sue and Danuta (SiouxDance) during our NZ workshop tour.

It is my great pleasure to revise it during my 2016 workshop for SiouxDance.

I've made an alteration to the original script to keep it a 2 wall dance and have included the 4 count tag which was mistakenly left off the original script... definitely feels better now Hope you enjoy some 'Sunshine' just like we did at Flock Hill all those years ago..

See you on the floor sometime.... Jan
