- 
- |       |                                                                                                       |
|-------|-------------------------------------------------------------------------------------------------------|
| 1-2   | Step right foot to right side, rock sideways onto left foot                                           |
| 3&4   | Step right behind left, step left to left side with $\frac{1}{4}$ turn left, step forward on to right |
| 5-6   | Step forward onto left, rock back onto right                                                          |
| 7&8   | Triple step $\frac{1}{2}$ turn left stepping left-right-left                                          |
| 9-10  | Step right over left, step left to left side with $\frac{1}{4}$ turn right                            |
| 11&12 | Step back on right foot, step left beside right, step right foot forward                              |
| 13-14 | Step left forward across in front of right (large step), slide/touch right beside left                |
| 15-16 | Step right forward across in front of left (large step), slide/touch left beside right                |
| 17&18 | Turning $\frac{1}{4}$ left on right foot, shuffle forward left-right-left                             |
| 19-20 | Step forward onto right, rock back onto left                                                          |
| 21&22 | Turning backwards 1- $\frac{1}{2}$ turns right step right-left-right                                  |
| 23-24 | Step forward onto left, rock back onto right                                                          |
| 25-26 | Touch left toe to left side, pivot $\frac{1}{2}$ turn left stepping left beside right                 |
| 27-28 | Step forward onto right, pivot $\frac{1}{2}$ left                                                     |
| 29-30 | Step forward onto right, touch left beside right                                                      |
| 31&32 | Step back onto left, step right beside left, step left forward                                        |

## REPEAT

## TAG

On the 8th wall, count 24 becomes a hold, then restart at count 1.
