On the last wall of the dance (wall 6 - which starts towards the front wall) leave off the first 24 counts or the first half of the sequence so you'll start on the ball-step, rock back,  $\frac{1}{2}$  right (or after the restart). This wall also has the 3 count tag. To finish the dance, keep in pace with the music as it slows down and turn  $1\frac{1}{2}$  rolling vine instead to bring you back to the front
