- 1-2 Step left foot forward, tap/brush right toes beside left foot  
3-4 Step right foot forward, tap/brush left toes beside right foot  
**Counts 3 & 4 are a combination of a touch with a small brush forward, I didn't want to make them touches because I knew some dancers would start clapping with each touch!! I don't mind if you add finger clicks though!!**  
& Step ball of left foot to the left side  
5-6 Step right foot to the right side, step left across in front of right foot  
7 Hold  
8 Unwind making  $\frac{1}{2}$  turn right with weight on left foot  
**This is really a quick turn, but I think it feels good being so sharp. If it's a problem, use counts 7 & 8 to turn**
- 9-10 Step right foot backward, step left beside right  
11-12 Step right foot forward, hold  
& Rock/step left foot to the side  
13 Replace weight onto right stepping slightly forward
