If using get up music, at the end of the second time through the dance (facing 6:00) there is a 4 count break. Hold position for this 4 count. Doc is singing "I got the cure, take some of mine". You could sing this also. Then restart from beginning

## **ENDING**

As the music fades out you will be completing steps 17&18 returning to the 12:00 wall. Step forward on, scuff/kick right forward
