- |       |                                                                                                                                              |
|-------|----------------------------------------------------------------------------------------------------------------------------------------------|
| 1-2   | Step/slide left foot backward, slide right foot beside left                                                                                  |
| 3-4   | Step/slide left foot backward, touch right foot beside left                                                                                  |
| 5-6   | Rock/step right foot backward, rock forward onto left foot                                                                                   |
| 7-8   | Step right forward, make $\frac{3}{4}$ pivot turn left taking weight onto left foot (your left foot should be crossed in front of the right) |
| 9-10  | Step right to the side, step left across behind right                                                                                        |
| 11&   | Step right to the side, step on ball of left across behind right                                                                             |
| 12    | Step right foot to the left side (crossed in front of left)                                                                                  |
| 13-14 | Step left to the side, step right beside left                                                                                                |
| 15&16 | Shuffle to the left side left-right-left                                                                                                     |
| 17&18 | Touch right foot beside left, step on ball of right foot to the right, step left foot to the side (touch, ball, step)                        |
| 19-20 | Rock/step right foot across in front of left, rock/replace weight on left                                                                    |
| 21&22 | Shuffle to the right side right-left-right                                                                                                   |
| 23    | Touch left toe across behind right                                                                                                           |
| 24    | Unwind making $\frac{3}{4}$ turn left taking weight onto left foot                                                                           |
| 25-26 | Step right forward, make $\frac{1}{2}$ pivot turn left stepping forward onto left foot                                                       |
| 27-28 | Rock/step right foot forward, rock backward onto left                                                                                        |
| 29-30 | Step right foot backward, step left backward                                                                                                 |
| 31    | Step right foot forward                                                                                                                      |
| 32    | Make $\frac{1}{2}$ turn left on ball of right foot kicking left foot forward                                                                 |

## REPEAT

## TAG

After you finish the 3rd repetition (facing the back wall) you need to add four counts

- |     |                                                       |
|-----|-------------------------------------------------------|
| 1-2 | Rock/step left foot backward, rock forward onto right |
| 3-4 | Rock/step left foot forward, rock backward onto right |
-
