5-6-7-8 (QQQQ) Step right forward, ½ pivot turn left onto left, step right forward, ½ pivot turn left onto left

## **REPEAT**

## **RESTART**

During the 3rd wall dance to count 48, then restart the dance from the beginning

## **ENDING**

At the beginning of wall 8 the music will slow down, you could simply end the dance there. However I prefer to dance at the slower pace. You will then end the dance facing the front wall at count 28
