31 Step left over right  
& Step side right  
32 Step left over right

#### **REPEAT**

In order to phrase the dance to fit the music during a 4 count tag, add the following. You will have just finished doing counts 29-32 your left rock step and cross over shuffle. Just before the 4 count tag in the later part of the song you will hear them count "1, 2 do the kung fu". They will echo this part Then they sing "3, 4 on the dance floor". They will echo this part also . Then they will repeat this entire verse. This whole verse will take 32 counts. You will be now facing the back of the room. The tag begins with an & count and is rather fast!

& Cross your fists in front of your chest(right over left ) and hitch right knee -  
1 Leaning slightly to the left-kick right leg out to the side in a karate kick. At the same time you will do a karate chop with your right hand (fingers together & palm down) to the right side (arm & leg should be parallel)  
& Bring your right leg back into a hitch, bring right arm back to center of body  
2 Touch right foot beside left & bring arms back down by your sides  
3 Hold  
4 Hold

**You do this part one time only, then begin the dance again.**
