REPEAT

RESTART

On the 3rd repetition, dance the first 16 counts of the dance then restart from the beginning. In order to do this you will leave the side cha out (15&16) and do the following:

15 Step left to side

16 Cross step right over left foot

This will allow you to go into the left side step (count 1)
After the 11th repetition of the dance there is an 8 count pause in the music. You can end the dance here or just keep on dancing through.
