**BIG ENDING**

You will know the music is ending when you hear the lyrics "hunk-a-hunk of burning". You will be facing the back wall just before the music pauses. Complete the first vine to the right with a touch (counts 9-12), but do not pause. Then instead of a vine left with a  $\frac{1}{2}$  turn left, do a one and  $\frac{1}{2}$  turn left to face the front, then pause and raise arms up slowly and then lower slowly until end of music).
